*Are you tired of adjusting the areas on your patients
only to see them return over and over again?*

*Do you feel there is a more powerful approach to help your patients
get better faster and STAY WELL?*

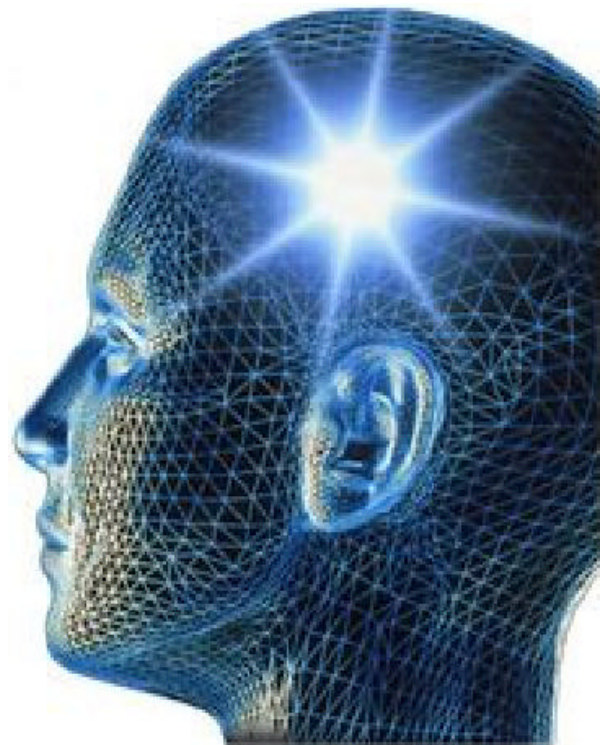

*Are you delivering what you promised your patients
when they began care with you?*

FACT: Subluxations are EFFECTS. The body's inability to adapt to overwhelming physical, chemical, environmental and emotional stressors are the CAUSE.

FACT: Quantum Integration will teach you how to effectively correct subluxations while clearing out the underlying causes simultaneously.

Skills Learned:

- Highly specific nerve system and bioenergetic analysis that will get you to the major source of subluxation & interference and its causes within seconds.
- How to gently and rapidly correct subluxations and their physical, environmental, food, drug, immunological, neuroendocrine, mental, emotional, electromagnetic and bioenergetic causes.
- The entire system is taught and can be used as a stand alone or synergistically with any technique making implementation immediate.

COST:

\$495 Doctors

\$395 Students or Refreshers
